## “YOU ARE RICH, BECAUSE YOU HAVE ACCESS TO GOD.”

---

### **READ**

*Luke 12:22-31*

Do not worry about your life. Remember, we are the clay, God is the Potter. God does not give us the whole plan of our life. He guides us day by day, step by step. If you are crying out for direction for things in your future — know you will only get today’s lesson. Settle down and understand there is nothing to worry about. God is an on-time God. Be anxious for nothing. We are living by faith, not by sight. Do you trust God with your eternal future? Faith is a deliberate commitment to Jesus when you cannot see ahead. His ways are not our ways, and His thoughts are not our thoughts. Faith does not line up logically. In the midst of the world’s chaos, God is order. Realize that you own nothing, but you are rich, because you have access to God. We are in the army of God. We can’t see the commander-in-chief, but He is the Lord and He has never lost a battle. Don’t be attached to anything but God. He cares about you, and at the right time, He will come and show you the steps to take, one step at a time.

### **PRAY**

Heavenly Father, I am putting my trust in You. I know that You have ordered my steps and my times are in Your hands. Help me to see that worry is a lack of faith in Your love and care over me. Thank You for caring for me and always being an on-time God!
