

DECEMBER 6

“GOD HAS GIVEN YOU SPECIAL FEET.”

READ

Romans 8:29-31, Habakkuk 3:17-19

Those who God called, He justified. “Therefore being justified by faith we now have peace with God through Jesus Christ. Those He justified, He also glorified.” We are declared righteous and imputed with holiness — this is the process of salvation. However, this world is still a dangerous place. God has set each of us in our appointed high and perilous places. The Lord in His creative genius has fit our feet especially for these kinds of rough places. When we contrast our difficult paths with the prosperous way of the wicked, we can lose our spiritual footing. Going back into His sanctuary, we are reminded that He keeps us securely in position. Take joy in knowing that in our suffering, we are on display to a watching world, showing them our dependence on Him, and the Good News of the Gospel, which makes our feet lovely to Him.

PRAY

Jesus, thank You for giving me special feet to tread in difficult places without stumbling or falling. Teach me to always be sensitive to the sound of Your voice as You guide me through both rocky times and easy times, so that my life testifies to Your faithfulness.
