

APRIL 21

“COMING TO JESUS IS THE EASIEST AND BEST THING YOU WILL EVER DO.”

READ

Hebrews 4:14-16

Mercy can never be understood. We can't comprehend unconditional love! Yet those are words we Christians use. Unconditional love means God loves you just because He decided to. It's not anything you did. It's not anything good on the inside of you. He loves you unconditionally, which means He will love you forever. The only condition for you to be accepted by God is the condition He placed on Himself. He loves you! When you go to God, who rules the universe, when you approach His throne, it's called the throne of grace. It's not the throne of holiness or power or creativity or righteousness. When you come to Him, you approach the mercy seat. He's sitting in the seat of mercy on the throne of grace giving unconditional love and promising peace to a fallen world, one of these days. Coming to Jesus is the easiest and best thing you will ever do. God is so accessible. You don't have to go without food, you don't have to take courses, and you don't have to prove anything.

PRAY

Lord, help me to walk humbly before God, yet come boldly to the throne of grace, that I may obtain mercy and help in times of need.
